

Developing Technology for Current and Future Challenges

- Pioneering Partnerships for Advanced Healthcare -

As society enters an era of aging demographics, there is a growing concern about how to maintain health at these advanced ages. Maintaining a healthy lifestyle as long as possible involves prevention, ultra-early diagnosis, medical treatment that minimizes the burden on the body and mind, and managing prognosis appropriately.

How can Shimadzu Corporation help?

As a pioneer in diagnostic X-ray imaging and a leader in mass spectrometry, Shimadzu has been working daily with researchers to develop solutions that will significantly change the future of healthcare, based on visualization using our medical and imaging technology and quantitative analysis using mass spectrometers.

Moving forward, we will continue to collaborate with pioneering researchers in efforts to develop solutions that extend healthy life expectancies and positively impact the healthcare environment of the future.
