Dear John,

I am writing to thank you for Shimadzu's generous support of the Academic Prize Giving evening at the Faculty of Pharmacy and Pharmaceutical Sciences. It was a pleasure having Hung Luu here to present the prize to the winner, Abigail oh.

Each year, we recognise the academic achievements of our students with the help of generous donations from organisations such as Shimadzu. We are very thankful for this support from industry partners who share our commitment to pharmacy and pharmaceutical science education.

As the number one pharmacy and pharmacology school in the Asia Pacific region and number two in the QS World University Rankings by subject, we are leading the way in pharmacy and pharmaceutical sciences education and research. Your support is crucial in helping us maintain this level of excellence and greatly appreciated by our students and staff.

Once again, thank you for your generosity and I look forward to continuing the faculty's partnership with Shimadzu well into to the future.

Yours sincerely

Professor William N Charman  
Dean, Faculty of Pharmacy and Pharmaceutical Sciences
