OBSERVATIONS

Choctaw Nation Health Services has healthcare facilities in many cities such as Talihina, Durant, Atoka, McAlester, etc. and is one of Shimadzu's best customers in the United States. There are many systems within the Choctaw Nation including Universal R/F Systems **SONIALVISION G4**, General Radiographic Systems **RADspeed Pro** and Mobile X-ray Systems **MobileDaRt Evolution**. The customer is highly satisfied with Shimadzu's advanced X-ray technologies and local service support. Shimadzu will continue to contribute to the mission of Choctaw Nation Health Services, "To provide the highest quality care to the people we serve."
